Algarve & São Miguel

TWO DESTINATIONS. YOUR OWN LOVE STORY.

A beautiful place to begin.

BESPOKE PLANNING

EXCEPTIONAL STAYS

TIME TOGETHER

A NOTE FROM ZERO

More than a day. A place in your story.

The welcome dinner. The first glimpse of the sea. A table filled with the people who know you best. A destination wedding is a collection of moments, held together with care.

Your people. Your rhythm.

ZERO brings accommodation, celebrations and local experiences into one considered plan. We shape the journey with you, then coordinate the right venues and specialist suppliers around it.

ONE BRIEF. A COHERENT CELEBRATION.

We bring the whole stay together.

Choose full planning and coordination, or a focused destination-support brief alongside your own wedding planner. Your proposal defines the people, services and responsibilities involved.

01 / SETTING

Venue & accommodation

A considered venue shortlist, site-visit coordination, room blocks and options for the couple, families and guests.

02 / VISION

Design & suppliers

A shared creative brief, supplier sourcing, budget tracking and coordination of florals, lighting, music and photography.

03 / PEOPLE

Guest experience

Airport transfers, guest information, dietary and accessibility requirements, welcome moments and local discoveries.

04 / DELIVERY

Wedding-day care

A named wedding-day coordinator, supplier timings and an agreed contingency plan, staffed to match the celebration.

Specialist services are delivered by selected professionals. ZERO coordinates the agreed scope; venue contracts, legal formalities and specialist delivery retain clearly named owners.

THREE STARTING POINTS

Nothing off the shelf.

These are creative formats, not fixed packages. Guest numbers, venues, staffing and investment are shaped together.

01

The Intimate Escape

A ceremony, a beautiful dinner, time to pause.

For an elopement or a close circle of family and friends. Add a special stay, photography and a private experience.

02

The Wedding Weekend

A welcome, the wedding, a farewell.

A relaxed three-night framework with a welcome evening, ceremony and reception, then brunch or a gentle day together.

03

The Destination Gathering

Four or more nights, made around your people.

More room for cultural traditions, a rehearsal dinner, guest discoveries, the wedding celebration and a honeymoon extension.

Every format is priced individually after a brief and availability review. Image: wedding styling inspiration.

ALGARVE

Golden light.
An Atlantic horizon.

For couples drawn to coastal resorts, leisurely outdoor evenings and a wedding weekend with room for sailing, wine and long lunches.

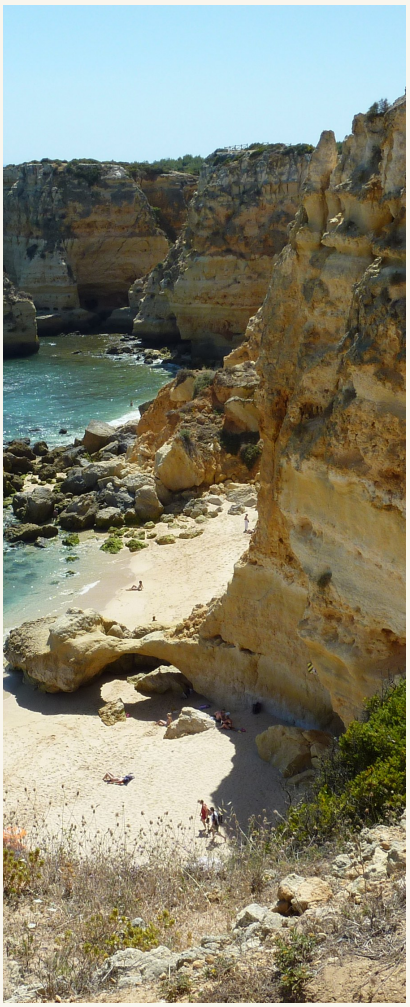

FARO GATEWAY / COASTAL CELEBRATIONS

Praia da Marinha. Destination landscape; ceremonies and private use require a separately approved venue.

A SHORTLIST TO START THE CONVERSATION

Choose the feeling.

Three different ways to anchor the celebration. We confirm suitability, private-use terms and an indoor alternative before you commit.

01 Tivoli Marina Vilamoura

Between the marina and the beach, with garden, terrace and event-space possibilities. A natural starting point for a resort wedding with guests staying close.

EXPLORE WEDDINGS ↗

02 Tivoli Carvoeiro

A coastal setting with ocean-facing gardens. Consider it for a dramatic Algarve backdrop and a hotel-centred celebration.

EXPLORE WEDDINGS ↗

03 Morgado do Quintão

An estate food-and-wine experience for a welcome gathering or farewell lunch. Private-event arrangements are quoted directly for your brief.

ILLUSTRATIVE / THREE NIGHTS, FOUR DAYS

A weekend to remember together.

DAY 1

Arrive & settle

Private airport transfers, check-in and an easy welcome dinner. Time for the couple to settle in and meet the on-site team.

DAY 2

The wedding

A calm morning, preparations and an unhurried ceremony. Aperitifs, a considered dinner and an evening of music.

DAY 3

One more day together

A late brunch, then an optional private sailing or island outing. Keep a land-based alternative and time for guests to do their own thing.

DAY 4

Until next time

Breakfast and coordinated departures, with the option to stay longer or begin a honeymoon in Portugal.

Sample sequence, not a confirmed booking. Add a pre-wedding night for rehearsal, tastings or family traditions. Styling image is illustrative.

MAKE THE JOURNEY PART OF THE GIFT

Stay a little longer.

Farol, Ria Formosa. Archive destination photograph.

THE ATLANTIC

Private time at sea

A sailing or catamaran outing, or a gentler Ria Formosa island discovery. Match the boat and itinerary to the guests and conditions.

THE LAND

Wine, golf & slow days

A vineyard tasting, a relaxed golf morning or an unscheduled beach-and-spa day. Optional experiences keep the weekend personal.

PRIVATE MARITIME EVENTS ↗

RIA FORMOSA / FORMOSAMAR ↗

MORGADO DO QUINTÃO ↗

PINE CLIFFS GOLF ↗

Private charters, routes, catering and access are subject to operator confirmation and weather. No sea activity is essential to the wedding day.

SÃO MIGUEL

Wildly romantic. Quietly extraordinary.

Crater lakes, botanical gardens and Atlantic air. An island setting for couples who want nature, intimacy and a wedding journey that feels deeply their own.

PONTA DELGADA GATEWAY / ISLAND CELEBRATIONS

Sete Cidades. Landscape inspiration; a viewpoint photograph does not imply permission for a wedding there.

HERITAGE, GARDENS & OCEAN RETREATS

An island, many moods.

Parque Terra Nostra, Furnas. Venue layout and event areas are confirmed separately.

EVENT SETTING / FURNAS

Terra Nostra Garden Hotel

Historic Casino rooms, garden surroundings and hotel accommodation offer a starting point for a celebration rooted in Furnas.

EVENTS AT TERRA NOSTRA ↗

PRIVATE-EVENT ENQUIRY

Botania Hall

A characterful villa within Parque Terra Nostra. Consider it for an intimate gathering; confirm the wedding format, layout and capacity.

STAYS & HONEYMOON INSPIRATION

Santa Bárbara brings a north-coast beach setting; SENSI offers an ocean-facing retreat. These are accommodation suggestions, not confirmed wedding venues.

SANTA BÁRBARA ↗

SENSI AZORES ↗

ILLUSTRATIVE / FOUR NIGHTS, FIVE DAYS

Let the island set the pace.

DAY 1

Welcome to the island

Arrive in Ponta Delgada, settle into your chosen base and gather over a relaxed welcome dinner.

DAY 2

Discover, then rehearse

An optional crater-lake or garden visit, with time for a rehearsal and a quiet family evening.

DAY 3

Your wedding day

Preparations, ceremony, reception and music. The agreed covered or indoor setting is ready if needed.

DAY 4

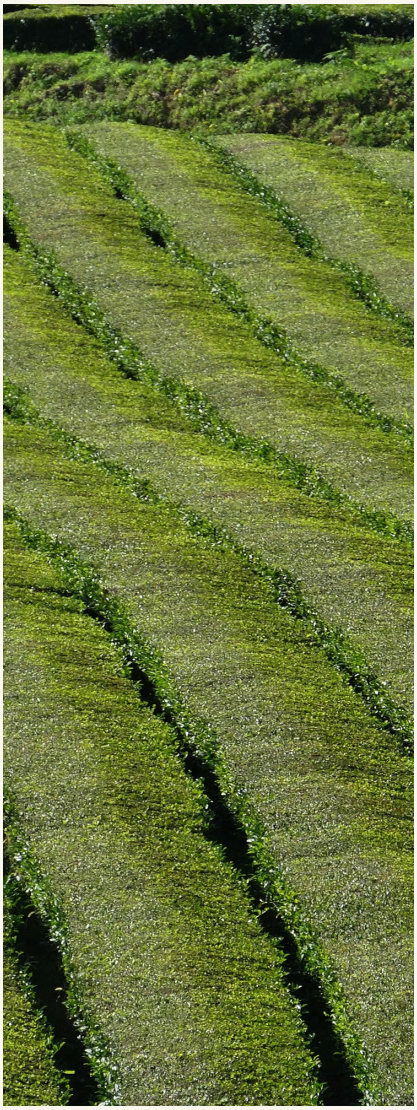

Celebrate a little longer

A gentle garden or thermal experience, or an optional ocean excursion when conditions allow. A final dinner together.

DAY 5

Depart or disappear

Coordinated transfers, or a few honeymoon nights with no schedule at all.

Build arrival buffers around the wedding and keep discretionary activities flexible. Example schedule; flights, venues and suppliers are not held.

MEMORIES OUTSIDE THE RECEPTION

A little island magic.

São Miguel: sperm whale at sea; Lagoa das Furnas.

OCEAN

A wild Atlantic encounter

Choose a responsible whale-watching departure, or explore sailing and snorkeling with Vila Water Sports Center. All outings depend on conditions and availability.

WHALE WATCHING / VISIT AZORES

VILA WATER SPORTS CENTER

LAND

Gardens & tea

A Furnas garden visit, a thermal experience or time among the Gorreana tea fields. Keep quieter alternatives for guests who prefer a slower day.

PARQUE TERRA NOSTRA

GORREANA TEA

For a honeymoon extension, consider Octant Furnas and its wellness-focused setting. ZERO can connect the celebration to a more private final chapter.

EXPLORE OCTANT FURNAS

CHOOSE THE DATE AS CAREFULLY AS THE PLACE

Beautiful beyond peak season.

Spring and autumn deserve a place on the shortlist. The right venue and contingency plan can extend celebrations well beyond July and August.

AVERAGE DAILY HIGH / °C	FARO	PONTA DELGADA
April	20.7°	18.8°
May	23.5°	20.2°
June	26.8°	22.4°
July	29.4°	24.7°
August	29.2°	26.0°
September	26.4°	25.0°
October	23.3°	22.6°

ALGARVE

Look beyond August

Our suggested windows are April-June and September-October. Earlier ceremonies need shade; evenings may need layers. Winter can suit indoor-led celebrations.

SÃO MIGUEL

Plan with the island

Late spring to early autumn is a useful starting point. Rain is possible year-round; protect every outdoor celebration with a genuine indoor alternative.

PONTA DELGADA / IPMA ↗

Understated. Unmistakably yours.

A shared creative language.

Florals, linens, stationery, lighting and music should feel like parts of the same story. We develop a brief with you and the selected creative team, using the setting as a starting point rather than a template.

Consider seasonal flowers, thoughtfully hired pieces and a small number of memorable details. Photography, beauty and entertainment are selected for your style and quoted within the agreed scope.

Wedding styling inspiration. No depicted wedding is represented as a ZERO production.

GOOD FOOD. GENEROUS HOSPITALITY.

Flavours that bring people together.

A taste of Portugal.

Build a menu around seasonal ingredients, Portuguese wines and the feeling you want at the table: elegant plated service, relaxed sharing dishes or carefully designed live stations.

Your traditions belong.

Indian and multicultural celebrations can include several gatherings, family rituals, specialist menus and entertainment. We source the right team around your traditions and the practical needs of the venue.

Care in every detail.

Vegetarian, vegan, halal, allergy and other requirements are confirmed with the caterer. Specialist kitchens, religious arrangements and any certification must be verified before commitment.

Menus and live stations are concepts for quotation. They are not guaranteed at every venue; supplier capability, kitchen access and food safety govern the final offer.

THE QUIET WORK BEHIND A BEAUTIFUL STAY

Your guests should feel expected.

Vila Franca do Campo islet, São Miguel. Destination inspiration, not an event venue offer.

ARRIVAL

Rooms & transfers

Clear room choices, arrival information, timed transfers and a practical plan for luggage and departures.

COMFORT

Every generation

A brief that considers children, older guests, mobility, step-free access, rest space and dietary requirements.

COMMUNICATION

A helpful contact

A guest itinerary, meeting points and a named support contact for the hours agreed in the proposal.

CHOICE

Time to yourself

Optional activities, quiet alternatives and room for guests to explore independently or simply rest.

A PERSONAL PROCESS, WITH CLEAR DECISIONS

Start with a conversation.

01 Tell us your story

Dates, destination, guest count, priorities and the overall budget you want us to work within.

02 Explore the possibilities

A shortlist and an initial scope, followed by availability checks and a more detailed proposal.

03 Agree before committing

Confirm responsibilities, planning fees, supplier terms, payment milestones and the cancellation conditions.

04 Shape the celebration

Develop the design, menu and guest programme. Agree timings, staffing, weather alternatives and decision deadlines.

05 Arrive and celebrate

A coordinated handover into the wedding stay, with your named lead and the agreed on-site team.

A BESPOKE QUOTATION

Planning and coordination fees are agreed separately from venue hire, food and drink, accommodation, transport, creative production and other supplier costs. The proposal identifies inclusions, exclusions, taxes and any contingency allowance.

Tell us your story.

A destination. A few dates.
The people you want beside you.
